*We have enjoyed our new windows and patio slider doors, and it is very easy to see the quality craftsmanship that has been put into these products. The windows and doors slide and lock easily and feel very secure when they are in the locked position. We would definitely purchase Milgard products again.*

*With the new Milgard windows my air conditioning bill is only a third of what it was. The new windows greatly add to the value, appearance and comfort of the house. I would, and do, highly recommend them as replacement windows.*
